The Committee appointed have produced a removal Certificate for Lydia H. Nichols to Rhode Island Monthly Meeting, which is acceptable to this Meeting and signed [on its Behalf] by the Clerk, She having given a satisfactory statement with regard to the manner in which She was married.

To Rhode Island Monthly Meeting.

Dear Friends.

Lydia H. Nichols, having removed to reside, with her Husband, within the Limits of your Monthly Meeting, requests our Certificate. This is to certify that she is a Member of our Society, and of orderly life and conversation; as such we recommend her to your Christian care and oversight. and are your Friends.

Signed in and on behalf of Greenwich Monthly Meeting held 24th of 4th month 1845. By Charles Perry, Susan C. Ray, Clerks.

The Statement is as follows.

Soon after I had entered into an engagement of marriage with Thomas P. Nichols - the overseers of Newport Preparative Meeting, with the full knowledge of such an engagement, presented a complaint against him purporting to be for undecorum behaviour in religious meetings - but generally understood by Friends to be an act of persecution, by those in authority who had themselves departed from the pure principles of the Society, - for his firm adherence to, and uncompromising support of sound Doctrine. In pursuance of this design Thomas was disowned, nor did an appeal to the Quarterly and Yearly Meetings avail anything in his case; so that being prevented from the usual course of proposing our intentions to a Meeting for Discipline, and believing the time had come for us to fulfil our engagements agreeably to the advice of our Discipline, we proceeded to take each other in Marriage as nearly after the manner of Friends as the circumstances would permit. Had it been in our

1845 we should have made our proposals in a meeting of Friends, and proceeded in all the stages conformably to their usages, but under the circumstances it is very evident we could do no such thing, a state of things I can but regret.

[Lydia H. Nichols.]

The following Extracts from the minutes of our last-Yearly Meeting were received and the Clerk is requested to transcribe and forward such portions as are necessary to our Monthly Meetings. Viz.

In a view of the difficulties and embarrassments under which several labor in consequence of the general defection in principle, and insubordination in practice, of Falmouth Fairfield, Vassalborough and Fairfield Quarterly Meetings, it is the conclusion of this Meeting, that, when cases occur of Friends, who have manifested a sincere attachment to our Ancient-Principles and Testimonies, removing to live within the limits of any Monthly Meeting which is a Branch of either Rhode Island, Salem and Dover or Sandwich Quarterly Meetings, and make application to be received as their members: It is agreed that such Monthly Meeting be left at liberty to receive them, and that they be considered members thereof, according to the judgment of such meeting, and upon its receiving satisfactory evidence of their being in unity with Friends of orderly life and conversation, and of having settled their outward affairs.

And in case of their being in necessitous circumstances when such application is made, or of their requiring pecuniary assistance afterwards and within the time prescribed by discipline in regard to the obtaining of settlements, they not having contributed to the funds of the meeting, within the limits of which they reside; - It is advised that such Friends should receive timely and needful assistance from their respective Monthly

1852. ings, who are requested, if the matter should prove burdensome to them, to forward their accounts to the Meeting for Sufferings, which, having approved the same, the expense is to be defrayed by a draft on the Treasurer of this Meeting.

It is also the sense and judgment of this Meeting, that the same rules and regulations may be applied under the direction of Best Wisdom, to the relief of such sound and consistent Friends as may continue to reside within the limits of the four delinquent Quarterly Meetings which have been referred to, as well as to such as are members of the three Quarterly Meetings which are still duly represented in this Meeting, but who may reside within the limits of any Monthly Meeting, in either of those Quarters, which has not been sustained in subordination to us, by reason of the great defection in principle, and the prevalent unsoundness in doctrine existing among the members of such Monthly Meetings generally."
